Four Types of Small Groups:

Covenant Groups focus on **authentic community and Bible study**. We gather for **fellowship, study of God's Word, encouragement, and prayer**. Typically made up of 6-15 people.

Men's Groups are designed to help create a **Gospel Community** in which the **message of the Gospel transforms our lives** in such a way that participants become **mature disciples who are able to make disciples**.

ANCHOR groups in which women dig deeply into God's Word, and are deeply **committed to "doing life together."** This is accomplished in personal study, dedicated teaching, small group participation and one-on-one meetings between shepherding leaders and the women in their groups.

Women's Bible Studies are intergenerational, with emphasis on study of God's Word and building community.
