

### **Christ Covenant's Youth Ministry**

(Middle school and high school)

**Meets in the Wilcox Building (C Building)**

**Teachers: CCYM Youth Staff &**

**SBS Teaching Team**

**Topic: Galatians**

Most Christians assume that "the gospel" is something just for non-Christians. They presume that the gospel is a set of basic truths about Christ that once they are "in Christ" they don't need to study. However, this couldn't be farther from the truth. The great declaration of the gospel of grace in Galatians is not only for those far from faith but those who are in the faith. Every Christian, young and old, needs the truths of the gospel as found in Galatians.

Worshipers of all ages are invited to study this topic, based on the Psalms, with the goal of better understanding what it means for us to worship in spirit and in truth.
